Dear Vicki and Jimmy,

This morning Dad and I got up early and went to the Pike Place Market. It was already crowded there even tho it was only nine o'clock. We bought a whole salmon and two crab. The day is just beautiful with the temperature in the 70's which is just perfect. Mt. Rainier is so clear and beautiful and the lake sparkles like diamonds.

Mary and Deane plan to come here and stay for only about a week and a half. I wish they could stay a long time but I am so happy they are coming at all. After all the company she has had, I am sure she would like to stay home and enjoy going over to your place. I am so glad she

isn't going to that end of the world
place of Kettle Falls.

Dad and Uncle Harold went to
the base ball game Wednesday
night and saw the M's beat the
Yankees 16 to zero. Dad kind of likes
going to the office. At least he doesn't
mind it. He leaves home about
nine o'clock and returns around
four o'clock. He is going to drive
me in to the Caret House Monday
for my first day. I have laryngitis
but not a cold so I feel O.K.

We are going to Salzkove's Sat. Nite
to a Neighborhood dinner party. I
was asked to bring a broccoli
casserole. Every one will bring some
thing which makes a dinner party
easier. The Salzkoves are preparing
the baked salmon which they caught.
We will be hoping for a quick
sale for your beautiful place. I
will even know the truth.
